

Mackie Consultants, a leading consultant in Civil Engineering and Land Surveying located in Rosemont, IL, has an immediate opening for a Senior Project Engineer. Selected candidate should possess a working knowledge of site grading, stormwater management, sanitary sewer design, water supply systems and basic roadway design for private and public sector projects. In addition to excellent project management and leadership experience, qualified candidates should be self-motivated, committed to customer service, and have a passion for improving the quality of life in local communities.

Essential Duties and Responsibilities:

- Solve complex problems through critical thinking and the application of innovative solutions
- Represent the company in meetings with clients, public agencies, and the public
- Supervise, review, and mentor staff members
- Draft, coordinate, and approve proposals and fee estimates
- Participate in marketing and strategic planning initiatives
- Perform design using approved computer programs in accordance with the accepted design practice
- Direct and review production of drawings by CAD technicians
- Attend internal project meetings

Key Qualifications:

- B.S. or M.S. in Civil Engineering with 7+ years of project management and supervisory experience
- P.E. license in Illinois
- Excellent leadership and communication (written and oral) skills
- Knowledge and experience with Microstation

Mackie Consultants is a part of The Burke Group (TBG), which is a fast-growing family of 9 civil engineering and land surveying companies offering services throughout the Midwest.
