

## Survey Crew Chief & Crew Members

Mackie Consultants, a leading consultant in Civil Engineering and Land Surveying located in Rosemont, Illinois, has immediate openings for a Survey Crew Chief (minimum of 5 years of survey experience) and Survey Crew Members (no experience necessary). These positions involve field experience and support in all survey related projects. Opportunities include cutting edge technology in survey advancements with laser scanning, robotics, GPS systems, and drone technology.

### Essential Duties and Responsibilities:

- Committed to perform field work for topographic surveys, subdivision development, IDOT & Tollway projects, heavy highway designs, bridge construction, architectural developments, large topographic surveys, scanning and construction layout.
- Exposure to the principle and practices of accurate surveying applied to innovative robotic technology, laser scanning, GIS systems, leveling, field notes, and data collection.

### Key Qualifications:

- High School Diploma or equivalent.
- Flourishes well in a cooperative team environment.
- Enthusiastic positive attitude, with clear communication skills.
- To be punctual and responsible.
- Willing to work outdoors on construction related projects.
- Have reliable transportation.

Mackie Consultants is a part of The Burke Group (TBG), which is a fast-growing family of 9 civil engineering and land surveying companies offering services throughout the Midwest.
